 [Faculty of Economics and Business](#)

In today's information-rich world, it's essential for students to critically evaluate what they hear rather than accept it at face value. Events like EEB enable students to express research-based views and understand diverse perspectives in a multicultural setting. Engaging with others helps broaden their horizons, and it's vital to teach them that they can positively influence their environment through respectful interactions and choices.

**Julia Perić**  
Professor, EFOS

 **EFOS**  
Faculty of Economics  
and Business in Osijek
