 [University of Szeged](https://www.facebook.com/University_of_Szeged)

As Europe becomes increasingly intertwined with the rest of the world, educational institutions have a responsibility to raise awareness of the relevance and complexity of ethical issues and to improve students' ability to discuss these issues. By joining the EEB, we aim to provide our students with a platform where they can openly discuss ethical issues related to work, organisations and business.

Beáta Udvari

Deputy Dean, SZEGED
